We are excited to present our members and friends the 2024 season of events at the FHC. Your Board has been working hard to add to a fun and spiritually stimulating summer season in beautiful South Haven. We started with the Rosen family's Bat Mitzvah, a lovely event to kick off the summer season. We have not had that many young people in our Shul since last year's Camp Agudah visit.

Dedication

The prior newsletter listed all the events and times. We are adding the Jewish War Veterans Memorial and the new entry dedication on August 4th at 11:00 a.m. at the cemetery on East Wilson St. For those of you who have not had a chance to visit the FHC cemetery, please do! The people who are responsible for our heritage would be so pleased with the new look. Thank you to the Siegel family for sponsoring the new memorial and the many others that contributed to the entry restoration.

Summer Services Begin

June 28th will kick off our Reform Friday night service at 8:00 p.m. Rabbi Nina Mizrahi will lead us in a most stimulating start to Shabbat. Services will be followed by an oneg Shabbat sponsored by Bob and Ann Abel. June 29th will start our Orthodox service and Kiddush starting at 10:00 a.m. with Kiddush at noon. If you cannot make the service, please consider attending the festive Kiddush.

Don't Forget

Movies shown on the third Wednesday of the month have been very successful and enjoyed by many. Barry's popcorn helps. Go on line to see the schedule of movies. As you know, there is no cost for the movie or the popcorn. Donations are appreciated.

Get Well

Get well to Michael Slotnick who is recovering from an illness. Also, Barry Fidelman fell and broke his ribs. Until this moment, I didn't think anything round could fall! Stephen Kolosky is making incredible progress in his recovery. We wish you all the best.

Condolences

The sudden passing of Debra Goldberg Merrill has taken us all by surprise. May the family find peace in her memory.

Below is Steve Tolen installing the donor appreciation plaque on the new cemetery entrance pillar. The final fence panels should be installed in the next two weeks. Save the date for dedication ceremony at the cemetery for the veteran's memorial and the restored entrance on August 4th at 11:00 a.m.
